Yolonzol Francell Green, Jr.

Yolonzol Francell Green, Jr. was born April 10, 1990 to Deatrice Mitchell who preceded him in death and Yolonzol Francell Green, Sr. Lonnie was educated in the Buffalo Public School System and loved to play football and sing. His favorite artist was Lyfe Jennings.

Lonnie attended Nazareth Missionary Baptist Church where he was baptized and sang in the choir where he lead the song "I Got Just What I Wanted". He and his family later joined Hopewell Baptist Church under the leadership of Pastor Dennis Lee, Jr.

Lonnie had a big beautiful smile that would light up the room. He was very loving to his friends and family and would greet everyone with hugs and kisses every time he entered the room.

On March 14, 2014 he and his girlfriend Jamella gave birth to their beautiful daughter Alani whom he loved unconditionally.

Lonnie unexpectedly departed this life on December 6, 2014 leaving a big void in many hearts. He leaves to cherish his memory father Yolonzol Francell Green, Sr; grandparents Percy and Eloise Mitchell; girlfriend Jamela; daughter Alani; brother Antonio (Tamika); sister Raquel; nieces Autumn, Raven, Dariah, godchildren Chi'marri Boyd and Harmony Sanders and a host of aunts and uncles who served as parents to him as well and a host of other relatives and friends that loved him dearly.

Twin,

I love you so much. Words can't express the way I'm feeling right now... What am I going to do without my other piece? You and Mommy took half of my heart with you when you left, I'm so lost. Although you are my older brother you are my baby. You already know that Tony and I are holding it down and staying strong. Your niece Dariah loves you. Stay by our side.

Love,

Your only little sister.

Nikki

Lonnie,

Please rest up and now you don't have to stress over mommy at all. Please know that we love you and we will watch over Jamela and Alani. You were the only person that I couldn't stay mad at for a long time. We would get into a heated argument and then have a normal conversation right after that. I can't do that with anyone else. Thank you for understanding certain struggles and continuing to love. Rest up little brother, I love you and will see you again.

Love, Tony

Love,

You were taken away from us too soon. However Alani and I are blessed to have experienced such a deep, unconditional love like yours. I promise to let your memory live on with her forever.

Everyday she will know without a doubt that she meant the world to you.

Please watch over us and keep me strong when I feel weak. Alani and I will love you forever and ever baby.

and Alani

I feel like one of the luckiest girls
in the world because God blessed
me with a little brother like you.
This is very hard but I find peace
in knowing I now have you as an
Angel. I will always love you kid!!!

-Connie "CeeCee" Boyd

As much as I'm hurting I know you're
in a better place. Not only are you with
God but you are now with your mom
helping her watch over us. You are now
one of the family angels watching over
us. I miss y'all both so much.

Love,
Jazz

My Dearest Lonnie,

Losing you is like losing a son. I loved you as if you were my own, I worried about you as if you were my own. There are no words to describe the void that I feel, for I will miss the knocks at the window and calls any time of day or night, as if you were mine, and I feel honored that you were comfortable enough that you felt that you could do so. My door and heart were always open to you. I'll miss your greetings with a hug and kiss on the cheek, and your departure with "love you auntie".

It warmed my heart to hear the words from some of your friends mouths after your departure "so, you're Aunt Bunnie." That lets me know that you spoke of me often. Or how Weezie felt the need to come check on me Sunday morning as I was too wondering how he was holding up. That lets me know that the connection between us was known.

Rest up baby boy. No more worries, no more cares. You are with your mom in paradise. I will miss you forever but will never forget you.

Love,
Auntie Bunnie

We are the most blessed grandparents
in the world
to have had you as a grandson.

It doesn't seem right
that you're gone.

You will always be our baby boy.

You will always live on in our hearts.

Love,
Granny
and
Grandpa
